Block Area

The magic block area is the golden key to open the door of wisdom. In the process of "playing", they actively explore and experience the world that belongs to them. In that wonderful thinking and imagination, it can promote children's physical development, emotional development, cognitive development, and can stimulate children's talents and potential. In the process of "playing", you can feel the wings of children's wisdom flying, and the halo of wisdom will flash more brilliant colors in the future.
